COASTAL EXEMPTION SUBMITTAL PACKET

- ☐ Coastal Exemption Submittal Requirements
- ☐ Coastal Exemption

Notes:

- Please obtain a Master Application.
- Questions regarding application submittal contents and process can be answered at the Planning and Zoning counter at 630 Garden St. at (805) 564-5578.
- **It is important that you research the project site prior to submitting an application.** Information such as the 1) Santa Barbara Municipal Code, 2) handouts, 3) guidelines, 4) street and 5) planning files (a.k.a. LDT record archives), 6) parcel and 7) case information, is available online at <http://www.SantaBarbaraCA.gov> under the Government, Residents or Business tabs at the top of the screen.
- When developing your proposal, **ALWAYS** refer to the actual Zoning Ordinance (Title 28 of the S.B.M.C. at http://www.santabarbaraca.gov/Government/City_Hall/Municode/) for the most complete and detailed information. As a rule of thumb we recommend that the following sections in the Zoning Ordinance also be reviewed carefully for additional information: Definitions (S.B.M.C. §28.04), General Provisions (S.B.M.C. §28.87), and the Automobile Parking Requirements (S.B.M.C. §28.90). Additionally, the history of the property needs to be researched; this includes reviewing the archive plans, and street files and planning files. **Please note that outstanding violations identified in pending enforcement cases and Zoning Information Reports must be addressed as part of your application.**
- **Street and planning files** (a.k.a. LDT record archives), and archived plans are located at the Records and Archives counter (located at 630 Garden St. (805) 564-5554). Please note that requests to view archived plans are on an appointment basis. Street and planning files are available online at <http://www.santabarbaraca.gov/Resident/Home/LDTRA/>. Copies of the Zoning Ordinance may be purchased at the City Clerk's Office at City Hall (at 735 Anacapa St. (805) 564-5309).
- **Please be advised** that all submittal materials (including plans) are subject to the Public Records Act and may be reproduced for the public without agent/owner authorization.
